

CAMPUS MONTEGANCEDO:

The ICE oriented towards international technological innovation

I2_Tech

Time Schedule

Strategic plan and feasibility study for the conversion into an International Campus of Excellence

Second phase - Presentation to the international committee

Madrid, 25th November 2009

CEI-CAMPUS DE MONTEGANCEDO
Universidad Politécnica de Madrid

A. TIME SCHEDULE OF ACTIONS

Tables 1 & 2 schematically summarizes the major milestones and phases in the development of the activities mentioned above, one linked to the economic budget another to the main objectives of the call

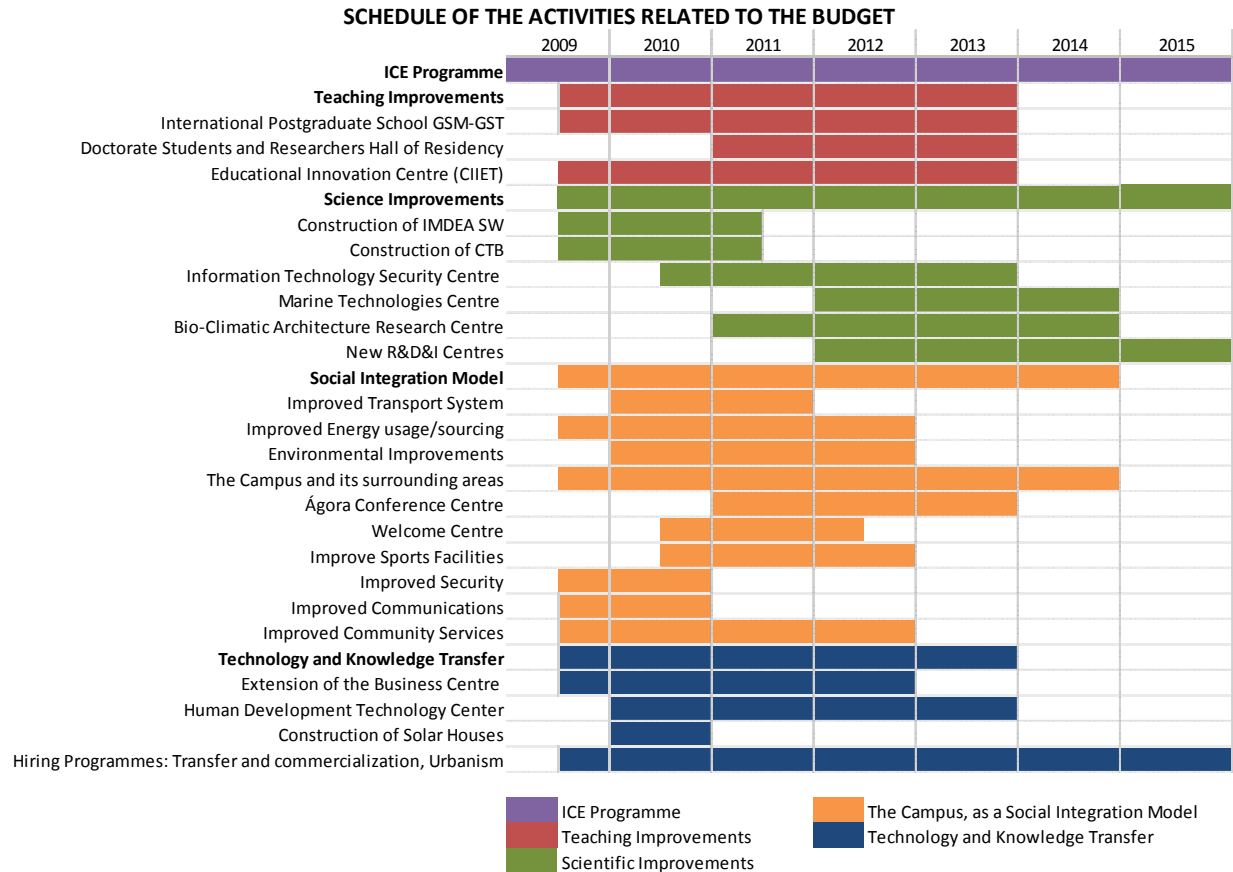

Table 1: Time Schedule (I)

To Conclude

This proposal aims to convert the Campus of Montegancedo into an International Campus of Excellence oriented towards technological innovation with a strong focus upon ICTs. This is a long-term strategic objective that surely will affect the whole of the UPM

During this proposal we have presented a global overview of the various actions and improvement required to make this vision reality.
