Survey of students on the teaching activity of the teaching staff

Dear student:

The Universidad Politécnica de Madrid has established a system for the evaluation of Professors/ Instructors and courses as part of its Quality System, in particular its System of Evaluation of Teaching Activity in the Official Bachelor and Master's Programmes.

The student survey is one of the tools with which this evaluation process is carried out. Your opinion, therefore, is very important, so please take a few minutes to complete it.

This survey is anonymous; no data is recorded of the person conducting the survey, except for the time and date when your questionnaire is submitted.

VERY IMPORTANT: Press the "ENVIAR/SEND" button at the end of the survey, otherwise the answers will not be recorded. At the end, you should receive a message of thanks for participating.
